

NAZARETH

REGIONAL HIGH SCHOOL

"Spirit of Nazareth Annual Appeal 2016-17"

December, 2016

Dear Alums, Friends, and Families:

Thanks to the generosity of our alumni and donors, Nazareth Regional High School is proud to continue its tradition as an exceptional educational institution. With so many achievements to celebrate over the past few years, we look forward to a successful Annual Appeal Campaign in 2017. As we work together to secure our future, we are relying on the heartfelt generosity of our Alums to help us continue to develop our technology program, strengthen our academic offerings, build our Capital Improvement Fund to repair and restore the exterior of our school to its original glory, and build an Endowment Program to enable future students in need to benefit from a Nazareth education.

This year we have set a fundraising goal of **\$150,000**. Our campaign will run from December 2016 until the end of the school fiscal year on June 30, 2017. All contributions--large and small--are important; please give what you can afford. Because our students--both current and future--are counting on your generosity, we are asking you to send your gift today.

To make your donation to Nazareth via PayPal or by credit card, please visit www.nazalumni.org and CLICK the "Donate" button next to the thermometer. You can specify how you'd like your contribution to be utilized by entering that request in the "Purpose" area (example: capital improvements, financial aid, etc.).

While our fundraising efforts are critical, equally important is our reconnection through the campaign with more and more alums like you. Please stay in touch with your school and fellow alums via our Web addresses: www.nazarethrhs.org and www.nazalumni.org or, through our Facebook page www.facebook.com/NazarethRHS. These sites enable us to circulate news about the school and to provide you with alumni updates. Any material you wish to contribute to these sites may be sent to us at Nazareth or emailed to development@nazarethrhs.org.

As Nazareth Regional High School continues its history of impacting students' lives, it is critical that we maintain and expand relationships with our valued Alums like you. We invite you to come visit your Alma Mater, talk with the students and faculty, and see for yourself the progress Nazareth continues to make.

Go Kingsmen and Lady Kingsmen!

Best regards,

Providencia Quiles
